DEAR CHRISTINE GALLAGHER

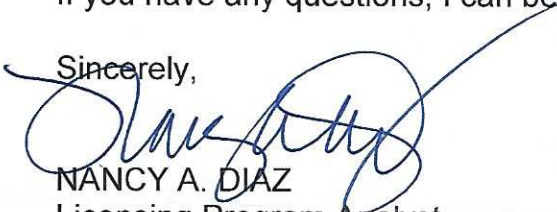

**SUBJECT: APPROVAL OF MANDATED REPORTER TRAINING**

We have had an opportunity to review the Mandated Reporter Training you submitted. The purpose of the review is to ensure all elements outlined in AB 1207 – Mandated child abuse reporting: child day care personnel training is met by the alternate training you would like to utilize for your staff instead of the online training available at <http://www.mandatedreporterca.com/training/training.htm>.

As your alternate training appears to address all elements outlined in AB 1207, it is approved and may be utilized instead of the online training noted above. Please be sure a copy of this approval letter is attached to every certificate issued to individuals who are licensee's, facility staff, or any others required to complete this mandated training so that licensing staff know this alternate training has been approved.

If you have any questions, I can be reached at (619) 767-2207.

Sincerely,

NANCY A. DIAZ

Licensing Program Analyst
